

# The Pin Sharps

## Hot Boogie Chicabilly-Sound from Berlin

The Pin Sharps had their stage debut in April 2011 at the Rusty Revolver in Berlin. The four band members – front women Holly Rose (lead vocals and guitar) and Lily Black (backing vocals and upright bass), lead guitarist Stevie, and drummer Carl – came from all over Germany before deciding to form this unique Rockabilly band in Berlin. It goes without saying that before even playing the first chord, you'll surely notice them. Fronted by two beautiful Chicabellas with Monroe hips and poisoned lips. The Pin Sharps will – and there is no doubt about this – catch your eye! The ladies in the crowd are welcome to gaze in amazement at the other (male) half of the band. If you are actually visually challenged or happily married, you will not miss out! Once the band starts playing their song 'Hop, Skip, and Jump', nothing will stop you from – well – doing exactly that!

The Pin Sharps have been playing many live shows throughout the last couple of years and are already booked for several gigs and festivals up until August 2014. In addition to performing their own songs, they have a broad repertoire of originals from Elvis, Johnny Cash, Janis Martin, Patsy Cline, and The Collins Kids. All of which are performed with so much spirit, soul, and rhythm, you'll think these songs were meant to be sung by these girls only -and no one else. Ever. Their first recordings and YouTube videos went viral and it didn't take long for the media to notice them. What followed was a first TV appearance in summer 2013 when they were asked to perform on a German daily soap called 'Gute Zeiten, Schlechte Zeiten'.

Lily Black writes the band's lyrics for the music created by Holly Rose. They are currently working on new material and are looking at different labels and producers in order to record their first full length album in 2014.
